

GOVERNMENT OPERATIONS COMMITTEE MEETING

Monday, March 1, 2010 @ 5:30 p.m.

LOCATION – Town Hall Council Chambers

Agenda Items

- I. Approval of Meeting Minutes and Working Notes of Government Operations February 1, 2010
- II. Cora Belden Library Project – status update and remaining funds.
- III. School CIP projects – RHHS Gym Floor and West Hill School Coat Room.
- IV. West Hill School Masonry – Intermittent water penetration into cafeteria under hard windy rains. Roofing contractor has been there three times since last leak. A mason was requested to give an assessment and quote for masonry repointing, sealing, and general maintenance. (included in packets)
- V. Griswold Middle School Gym Floor Replacement (water damaged) – Damage to gym floor occurred during cold weather when a heating coil froze and leaked into the storage closets and under the gymnasium floor. Discussion of Synthetic Floor v.s. Wood floor replacement occurred with all parties as a possibility for consideration. The Board of Education Facilities Committee voted to recommend the installation of a wood floor to the Town's Joint School Facilities Committee who unanimously voted to accept a wood floor replacement because there would be no incremental cost difference to the Town to offset the insurance coverage.
- VI. Other
