

PRESS RELEASE

TELEPHONE REASSURANCE FOR ELDERLY/DISABLED

The Town of Rocky Hill Human Services Department has a service for elderly and disabled residents to check on their welfare and provide brief socialization. Oftentimes, elderly/disabled residents may be homebound and living alone. This service provides a daily telephone call to the resident in the morning. A brief application needs to be completed to start the service. If you are interested in obtaining more information, please call Mark Williams, Director of Human Services at 860-258-2799 or 258-2724.
